Rita Ora

[Verse 1: Rita Ora]

Her name is Lara, we learned a lot ah
How to do it, like we do it like we wanna
We just know (know)
We just know (know)
I ain't one-sided, I'm open-minded
I'm fifty-fifty and I'm never gonna hide it
You should know (know), eh
You should know (know), ay[Pre-Chorus: Charli XCX]

All summer, we've been in the 'bu
'68 Chevy with nothing to do
Just rolling J's, kush loving
And last night, yeah, we got with the dude
I saw him, he was lookin' at you
So I said hey, kush loving

[Chorus: Rita Ora & Charli XCX]

Sometimes, I just wanna kiss girls, girls, girls
Red wine, I just wanna kiss girls, girls, girls
Sometimes, I just wanna kiss girls, girls, girls
Red wine, I just wanna kiss girls, girls, girls
Girls, girls, girls, girls, girls[Verse 2: Bebe Rexha, Charli XCX & MØ]

You know I tamed it, and then I named it
I put the lion in the cage and then I laid with her
All night (all night)
Her all night, yeah
I'm the hunter and she the prey, yeah
I'm the thriller, I'm the killer
I'm the savior, up all night
We up all night, yeah
(Do it one more time)

[Pre-Chorus: Rita Ora with Bebe Rexha]

All summer, we've been in the 'bu

Red wine, I just wanna kiss girls, girls, girls (yeah yeah, yeah yeah)
Sometimes, I just wanna kiss girls, girls, girls (you know that I do)
