## **Imagine Me Without You**

## Jaci Velasquez

As long as stars shine down from heaven

And the rivers run into the sea

Till the end of time forever

You're the only love I'll needIn my life You're all that matters

In my eyes the only truth I see

When my hopes and dreams have shattered

You're the one that's there for meWhen I found You I was blessed

And I will never leave You

I need You

Imagine me without You

I'd be lost and so confused

I wouldn't last a day I'd be afraid without

You there to see me through

Imagine me without You

Lord You know it's just impossible

Because of You it's all brand new

My life is now worthwhile

I can't imagine me without YouWhen You caught me I was falling

You're love lifted me back on my feet

It was like You heard me calling

And You rushed to set me freeWhen I found You I was blessed

And I will never leave You

I need You

Imagine me without You

I'd be lost and so confused

I wouldn't last a day I'd be afraid without You there to see me

through

Imagine me without You

Lord You know it's just impossible

Because of You it's all brand new

My life is now worthwhile

I can't imagine me without You

When I found you I was blessed

and I will never leave you

I need you

Imagine me without you

I'd be lost and so confused

I wouln't last a day I'd be afraid

without you there to see me through

wooohhhhhh

Impossible because of you it's all brand new my life is now worthwhile I can't Imagine me
