

# Road Movie to Berlin

## They Might Be Giants

We're in a road movie to berlin  
can't drive out the way we drove in  
so sneak out this glass of bourbon  
and we'll go

We were once so close to heaven  
peter came out and gave us medals  
declaring us the nicest of the damned  
Time won't find the lost  
it'll sweep up our skeleton bones  
so take the wheel and i will take the pedals

We're in a road movie to berlin  
can't drive out the way we drove in  
so sneak out this glass of bourbon  
and we'll go

notes

The dial-a-song version (which is closer to the version printed in the flood liner notes) goes as follows:

We're in a road movie to berlin  
can't drive out the way you drove in  
so sneak out this glass of bourbon  
and we'll go

We were once so close to heaven  
peter came out and gave us medals  
declaring us the nicest of the damned  
You said you were the king of liars  
and i believed you and called you sire  
but i realize now that i have been deceived
