

# The Little Things

Colbie Caillat

The little things you do to me  
Are taking me over, I wanna show ya  
Everything inside of me  
Like a nervous heart that is crazy beatin'  
my feet are stuck here against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention  
Before you pass me by Back up, back up  
Take another chance  
Don't you mess up, mess up  
I don't wanna lose you  
Wake up, wake up  
This ain't just a thing that you  
Give up, give up  
Don't you say that I'd be  
Better off, better off, sleeping by myself and wondering  
If I'm better off, better off, without you boy.  
The little things you do to me  
Are taking me over, I wanna show ya  
Everything inside of me  
Like a nervous heart that is crazy beatin'  
my feet are stuck here against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention  
Before you pass me by Back up, back up  
Take another chance  
Don't you mess up, mess up  
I don't wanna lose you  
Wake up, wake up  
This ain't just a thing that you  
Give up, give up  
Don't you say that I'd be  
Better off, better off, sleeping by myself and wondering  
If I'm better off, better off, without you boy.  
Don't just leave me hangin' on...  
Don't just leave me hangin' on... The little things you do to me are  
Taking me over, I wanna show ya  
Everything inside of me  
Like a nervous heart that is crazy beatin'  
my feet are stuck here against the pavement  
I wanna break free, I wanna make it  
Closer to your eyes, get your attention

Before you pass me by  
Don't just leave me hangin' on...  
Back up, back up  
Take another chance  
Don't you mess up, mess up  
I don't wanna lose you  
Wake up, wake up  
This ain't just a thing that you  
Give up, give up  
Don't you say that I'd be  
Don't just leave me hangin' on...  
Don't just leave me hangin' on...  
Don't just leave me hangin' on...  
Don't just leave me hangin' on...  
Don't just leave me hangin' on...  
Don't just leave me hangin' on...
