## The Little Things

## **Colbie Caillat**

The little things you do to me Are taking me over, I wanna show ya Everything inside of me Like a nervous heart that is crazy beatin' my feet are stuck here against the pavement I wanna break free, I wanna make it Closer to your eyes, get your attention Before you pass me byBack up, back up Take another chance Don't you mess up, mess up I don't wanna lose you Wake up, wake up This ain't just a thing that you Give up, give up Don't you say that I'd be Better off, better off, sleeping by myself and wondering If I'm better off, better off, without you boy. The little things you do to me Are taking me over, I wanna show ya Everything inside of me Like a nervous heart that is crazy beatin' my feet are stuck here against the pavement I wanna break free, I wanna make it Closer to your eyes, get your attention Before you pass me byBack up, back up

Take another chance
Don't you mess up, mess up
I don't wanna lose you
Wake up, wake up
This ain't just a thing that you
Give up, give up
Don't you say that I'd be

Better off, better off, sleeping by myself and wondering If I'm better off, better off, without you boy.

Don't just leave me hangin' on...

e me hangin' on...The little things you do to

Don't just leave me hangin' on...The little things you do to me are Taking me over, I wanna show ya

Everything inside of me

Like a nervous heart that is crazy beatin'
my feet are stuck here against the pavement
I wanna break free, I wanna make it
Closer to your eyes, get your attention

Before you pass me byDon't just leave me hangin' on...Back up, back up

Take another chance

Don't you mess up, mess up

I don't wanna lose you

Wake up, wake up

This ain't just a thing that you

Give up, give up

Don't you say that I'd be

Don't just leave me hangin' on...
