

# You've Got a Friend

James Taylor

When you're down and troubled  
And you need a helping hand  
And nothing, oh, nothing is going right  
Just close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night You just call out my name  
And, you know, wherever I am  
I'll come running (oh yeah, baby)  
To see you again Winter, spring, summer or fall  
All you've got to do is call  
And I'll be there, (yeah yeah yeah)  
You've got a friend  
If the sky above you  
Should turn dark and full of clouds  
And that old north wind should begin to blow Keep your head together  
And call my name out loud now  
Soon I'll be knocking upon your door You just call out my name  
And, you know, wherever I am  
I'll come running (Oh, yes I will)  
To see you again Winter, spring, summer or fall  
All you've got to do is call  
And I'll be there, yeah yes Ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you and desert you  
Well, they'll take your soul if you let them  
Oh, but don't you let them  
You just call out my name  
And, you know, wherever I am  
I'll come running  
To see you again  
(Oh baby don't you know 'bout)  
Winter, spring, summer or fall  
(Hey Now) All you've got to do is call  
Lord I'll be there, yes I will  
You've got a friend  
You've got a friend
