

# Smile (feat. H.E.R.)

Wizkid

So nice...  
I can be your substance  
It's easy when the love don't hide (no hide, no hide)  
Had to learn from mistakes  
Company creates companions  
So right, yeah baby boo say  
I love your smile  
Girl I love it when you smile (no lie, hol on) I love your life, yeah  
Love it when you smile  
Say, I will do anything for my love, yeah yeah  
I will do anything for my love, yeah, oh lord  
Run inside a building up in flames just to be with my love  
(yeah, yeah, yeah)  
I will do anything for my love, oh lord  
We could do this all night  
Love me 'cause it feel right  
Say you need me in your life (Whole life)  
Do whatever I say  
You will never hurt me  
Loving make me feel amazing inside (oh, I)  
(you're, you're) You're the only one I need  
And the only one I see  
Love the way you talk to me  
And I love your energy  
'cause you make it look easy  
I have a thing there believe me  
There ain't nothing I won't give  
Nothing I won't do  
You're the only one for me  
Nobody else but you  
'cause you make me feel lucky  
No no it's yours baby just me, trust me... I know  
I love your life, yeah  
Love it when you smile  
Say, I will do anything for my love, yeah yeah  
I will do anything for my love, yeah (oh lord)  
Run inside a building up in flames just to be with my love  
(yeah, yeah, yeah)  
I will do anything for my love (oh lord) You're just a blessing to me  
I thank baba God for your life  
Hol on, my baby  
Showed me what I couldn't see

My love for you could never go blind  
I wanna be by your side  
Tell me when you need me baby  
I go dey your side  
Kiss you every morning baby, I go hold you tight oh  
Treat you like no other, everyday na Valentine oh  
Omoge mi forever, be my paradise  
Honey, you're my sugar, you dey sweet like Caroline  
Baby you're my prisoner, I go give you all my time oh  
Sweet baby Gee  
Oh lord, Hol on I love your life, yeah  
Love it when you smile  
Say, I will do anything for my love, yeah yeah  
I will do anything for my love, yeah (oh lord)
