

# Odee

## A Boogie wit da Hoodie

Young Troy, you a genius  
Beat it up like Jaegen[Chorus]  
Yeah, .44 bulldog  
Hit a nigga melon, spill a nigga bean  
Everybody sayin' what they gonna do, yeah  
But they just talkin', they don't mean it  
Try to run down with the deuce-deuce  
That's a no-no, get a forty, yeah  
Yeah, I know I'm prolly too much, yeah  
Sometimes, I just be odeein'

[Verse 1]

I was gonna go and try to fall asleep  
But, I got too much energy, yeah  
I was gonna go to Canada deep  
But, all my niggas said they got felonies, yeah  
I was gonna pull up in Givenchy  
But, I just bought all this ERD shit  
I'm too fleek, all the groupies  
Yeah, they just wanna get next to me, yeah  
Yeah, everybody said they run down  
Til' they hear that gun sound on that lemon squeeze, yeah  
Yeah, bet ya' homie ain't ya' homie  
Trust me paparazzi, that's the police, yeah

[Chorus]

Yeah, .44 bulldog  
Hit a nigga melon, split a nigga bean  
Everybody sayin' what they gonna do, yeah  
But they just talkin', they don't mean it  
Try to run down with the deuce-deuce  
That's a no-no, get a forty, yeah  
Yeah, I know I'm prolly too much  
Sometimes, I just be odeein'[Bridge]

Yeah, yeah

Sometimes, I just be odeein'  
(She love God and she know Jesus)  
Sometimes, I just be odeein'  
(Girl I smoke pot just for no reason)  
Yeah, Sometimes, I just be odeein'  
(Sometimes, I just be o yeah)  
Yeah, Sometimes, I just be odeein'[Verse 2]  
And sometimes I just be odeein'  
Now, I'm from Highbridge, what you thinkin'?

You can punch in mine if yours is readin'  
And you can punch in mine if yours is readin'  
I give you all my time if you give me reasons  
You only call my line when you think I'm creepin'  
The 30 clip too long, you can probably see it  
It's a Hip-Hop song, but I'm R&B-in'[Chorus]  
Yeah, .44 bulldog  
Yeah, hit a nigga melon, split a nigga bean, yeah  
Everybody sayin' what they gonna do, yeah  
But they just talkin', they don't mean it  
Try to run down with the deuce-deuce, yeah  
That's a no-no, get a forty, yeah  
Yeah, I know I'm prolly too much, yeah  
Sometimes, I just be odeein'
