

# The Art of War (Sabaton Cruise, 2014, 2nd Set)

## Sabaton

If you know the enemy and know yourself, you need not fear the result of a hundred battles.

If you know yourself but not the enemy,  
for every victory gained you will also suffer  
a defeat.

If you know neither the enemy nor yourself, you will succumb in every battle. I stand alone and  
gaze upon the battlefield

Wasteland is all that's left after the fight  
And now I'm searching a new way to defeat my enemy  
Bloodshed I've seen enough of death and pain  
I will run, they will hunt me in vain  
I will hide, they'll be searching  
I'll regroup, feign retreat they'll pursue  
Coup de grace I will win but never fight  
That's the Art of War  
That's the Art of War

Breaking the will to fight among the enemy  
Force them to hunt me they will play my game And play by my rules I will be close but still  
untouchable

No more will I see suffering and pain  
They will find me no more I'll be gone  
I will have them surrounded  
They will yield without fight overrun  
Coup de grace I will win but never fight  
That's the Art of War  
That's the Art of War Broken and lost  
Tired of war

They'll surrender to me  
Caught in my trap  
There's no way out  
Fail never again never again  
I will run, they will hunt me in vain  
I will hide, they'll be searching  
I'll regroup, feign retreat they'll pursue  
Coup de grace I will win but never fight  
That's the Art of War  
That's the Art of War  
That's the Art of War  
That's the Art of War
