

# Cadillac Cowboy

Chris LeDoux

Hold tight with a leather fist  
Watch out when he starts to twist  
That's what their daddies' used to tell them boys  
How to ride them bulls  
I got a jingle in my jeans  
Sore places in between  
And I'm leavin' on a saw blade  
With a push and a pull  
Chorus  
10-4 buddy, come on back  
A horse trailer on a cadillac  
Yeah, we're talkin' to the cowboy  
In the coupe de ville  
Chug-a-luggin' up one side  
Slidin' down the other  
I'm a lover of the other side of the hill  
Turn up that radio  
Don't wanna think about a rodeo  
Don't wanna think about a round-up  
Up in old cheyenne  
It's a crazy circuit  
But still you work it  
Turn down that sound, boys  
Let's get up and check the scan  
Chorus  
Bandana hangin' mirror  
Still wet from ear to ear  
We'll, I guess it's true then  
What the wise men say  
When you ride your last one  
Make sure he's the best one  
Jump while he's movin'  
Tip your hat boys and walk away  
Chorus (repeat 2 times)  
I'm a lover of the other  
Side of the hill
