

# Blow It Up

## The Vaccines

Okay, I could live without it  
Were you ever my age? No, I doubt it  
A native American feather  
The Generals look better in leather Blow, blow, blow it up  
Blow, blow, blow it up  
Blow, blow, blow it up  
Blow it up, blow it up, blow it up Shipping out is fun on the weekend  
But you don't feel as young with a girlfriend  
I'm bored trying to deal with your ego  
Late light bagging in Willow Blow, blow, blow it up  
Blow, blow, blow it up  
Blow, blow, blow it up  
Blow it up, blow it up, oh  
Blow, blow, blow it up  
Blow, blow, blow it up  
Blow, blow, blow it up  
Blow it up, blow it up, blow it up
