

# The Story of a Starry Night

Robert Goulet

This is the story of a starry night  
The faded glory of a new delight  
Long breathless meetings, two lips repeating  
Sweet precious words that were sweet, but fleeting  
When stars are bright my heart keeps  
wondering why  
Our first "goodnight" became our last "goodbye"  
I pray that someday love will in some way  
Bring back the story of a starry night
