

Drinkin'

JMSN

I've been drinkin'
I've been drinkin', I'm drinkin' all the time
All the time, every night
I've been thinkin'
Tell me what you're thinkin' 'bout
Thinkin' every night, I don't feel right
Don't feel right
Some might think I've lost my mind
You've lost your mind
But this is just my daily life
Drinkin'
Oh, and I think I'll take my time
I'll get it right
So that I've been shakin'
Thinkin' 'bout that high
Like a warm slice of apple pie
Yeah, see I feel it in my toes, yeah
Feel it in my toes, yeah
It's a feelin' like nobody knows I've been drinkin', wo-o-oah
I'm drinkin' all the time
All the time
I've been drinkin'
Aww you better slow down
What you know about what's right for me?
Right for me
See, yeah
Just because you got a preconcieved notion of what I should do
Don't mean it's the truth
I'm gonna keep drinkin', woo!
Yeah, thinkin' all the time
Drinkin' all the time
I'ma keep singin', wo-oah
'Til I lose my voice and die, woo-oo-oo, yeah
And I don't give a f....
Boy you better watch your mouth
We all know that nothin' is enough when you're drinkin'
Woah-woah-woah-woah, woah, woah, woah, woah
Yeah, I-I-I-I
Woah, woah, woah
I keep drinkin'
Woah-woah-woah-woah, woah, woah, woah, woah
Woah, woah

Woah, woah, woah Sometimes I think I'm wrong
But, shit, it ain't for too long
When I'm drinkin'
Woah-woah-woah-woah, woah, woah, woah, woah
Makes me feel so right
Woah, woah, woah
Yeah I keep drinkin', I keep drinkin'
Woah-woah-woah-woah, woah, woah, woah, woah
Drinkin' all the time
And I swear I'm not an addict
Woah, woah, woah See I'm addicted to happiness
You don't even know what makes you happy
Now I ain't gon' go searchin' for that shit
Only if you're afraid to chase, though I be drinkin'
Woah-woah-woah-woah, woah, woah, woah, woah
Drinkin' all the time
Right now, right now
Woah, woah, woah
Swear that I'm drinkin', woo!
Woah-woah-woah-woah, woah, woah, woah, woah
Yeah, let's get loose
Oh, swear I'm 'bout to get loose
Woah, woah, woah See, I stopped tryna be like
Boy what you talkin' 'bout?
I stopped tryna please everybody
Please yourself
Whatever makes you happy
Do that shit
And if it's drinkin', yeah
Gon' and do it all the time
Just live your life, yeah
'Cause if it's drinkin', yeah
Think you'll be alright
Be alright
See, don't let no one tell you what to do, yeah
Might sound corny, but just do you
I'ma continue drinkin' I need to use... I need to pour a shot
