

# Trust

Christina Perri

Like the wind is blowing  
Change is fast and growing  
I knew better than  
I knew better than Words that hurt the ones you're lovin'  
Hatred for who you're becomin'  
I knew better than, yes  
I knew better than To trust myself  
To trust someone else  
To trust the lies that slip from my mouth  
Trust the heart I'm so quick to sell  
Yes, I knew better than  
I knew better than to trust love again Memories that won't stop stinging  
Promises I can't believe in  
I knew better than  
I knew better than To trust myself  
To trust someone else  
To trust the doubt in the back of my mind  
Trust the trail of pain left behind Yes, I knew better than  
I knew better than to trust love again And I'm so quick to lose what was never mine to keep  
And I cannot stand on what's broken under me  
And I don't know how to forgive myself for everything  
But I must learn trust  
Like the wind is blowing  
Change is fast and growing  
I knew better than  
I knew better than
