

# Burn

## Papa Roach

I didn't know you were a fake.  
Every lie straight to my face.  
So blind I could not see  
right behind my back  
you stabbed me  
I should have known you were a bitch  
shut up, you're makin me sick.  
little man you're nothing like melying, cheating, so deceiving.  
I trusted you, broke me down  
and you screwed me over  
Don't try to deny it  
you cannot hide it  
I'll be ignited  
When I get to watch you  
Burn Burn Burn  
I wanna watch you  
Burn Burn Burn  
I wanna watch you burn  
You're gonna get what you deserve  
I wanna watch you burn You turned me, inside out  
My world is upside down  
You're not her are you happy now  
Looking over your shoulder  
Fucking me over I trusted you, sold me out  
this is far from over  
don't try to deny it  
you cannot hide it  
I'll be ignited  
When I get to watch you  
Burn Burn Burn  
I wanna watch you  
Burn Burn burn  
I wanna watch you  
Burn Burn  
I wanna watch you burn  
You're gonna get what you deserve And you'll never learn  
Yeah  
your time has come now its your turn  
I'll watch you Burn  
BURN  
BURN  
BURN

I wanna watch you

BURN

BURN

BURN

I wanna watch you burn

You're gonna get what you deserve

And you'll never learn, Yeah

your time has come now

its your turn

I wanna watch you BURN BURN BURN

I wanna watch you BURN BURN BURN

I wanna watch you BURN
