

All Caught Up (feat. Tinashe)

GTA

 Tempting ain't the way you turn me on
 Watching how you play all your cards
 I'm all the way that you walk
 Cause I'm not walking away, away, away
 I'm a tie it off with a cup of you
 Shudder with your body all over
Move into the colors that you're working on
 Painted on the walls of another
 Take me into your arms, arms, arms
 I'm gonna keep you all caught up
 Deeper into your heart
 I'm gonna keep you all caught up
 All caught up, all up, all caught up
 Deeper into your heart
 I'm gonna keep you caught up yeah
 Deeper into your heart
 Take me into your arms, arms, arms
 I'm gonna keep you all caught up
 Deeper into your heart
 I'm gonna keep you all caught up
 All caught up, all up, all caught up
 Deeper into your heart
 I'm gonna keep you caught up yeah
 Deeper into your heart
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
 Take me into your arms
 Sink into the grey, lay you down
 Work around your space, wear you out
 I won't hesitate, feel me now
 Feel me walking away, away, away
 I'm a tie it off with a cup of you
 Shudder with your body all over
Move into the colors that you're working on
 Painted on the walls of another
 Take me into your arms, arms, arms
 I'm gonna keep you all caught up
 Deeper into your heart
 I'm gonna keep you all caught up
 All caught up, all up, all caught up
 Deeper into your heart
 I'm gonna keep you caught up yeah
 Deeper into your heart

Take me into your arms, arms, arms

I'm gonna keep you all caught up

Deeper into your heart

I'm gonna keep you all caught up

All caught up, all up, all caught up

Deeper into your heart

I'm gonna keep you caught up yeah

Deeper into your heart

No, no, no, no, no, no, no, no, no, no, no, no, no, no, no

Take me into your arms
