

All Caught Up (feat. Tinashe)

GTA

Tempting ain't the way you turn me on
Watching how you play all your cards
I'm all the way that you walk
Cause I'm not walking away, away, away
I'm a tie it off with a cup of you
Shudder with your body all over
Move into the colors that you're working on
Painted on the walls of another
Take me into your arms, arms, arms
I'm gonna keep you all caught up
Deeper into your heart
I'm gonna keep you all caught up
All caught up, all up, all caught up
Deeper into your heart
I'm gonna keep you caught up yeah
Deeper into your heart
Take me into your arms, arms, arms
I'm gonna keep you all caught up
Deeper into your heart
I'm gonna keep you all caught up
All caught up, all up, all caught up
Deeper into your heart
I'm gonna keep you caught up yeah
Deeper into your heart
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
Take me into your arms
Sink into the grey, lay you down
Work around your space, wear you out
I won't hesitate, feel me now
Feel me walking away, away, away
I'm a tie it off with a cup of you
Shudder with your body all over
Move into the colors that you're working on
Painted on the walls of another
Take me into your arms, arms, arms
I'm gonna keep you all caught up
Deeper into your heart
I'm gonna keep you all caught up
All caught up, all up, all caught up
Deeper into your heart
I'm gonna keep you caught up yeah
Deeper into your heart

Take me into your arms, arms, arms

I'm gonna keep you all caught up

Deeper into your heart

I'm gonna keep you all caught up

All caught up, all up, all caught up

Deeper into your heart

I'm gonna keep you caught up yeah

Deeper into your heart

No, no, no, no, no, no, no, no, no, no, no, no, no, no, no

Take me into your arms
