

African Beauty (feat. Omarion)

Diamond Platnumz

I'm in love with you
There's nothing that I wouldn't do
Catch a bullet for you
As long as you want me to I'm in love with you
There's nothing that I wouldn't do
Catch a grenade for you
As long as you want me to Penzi talipamba ngonjera
Huba kama tanga segera
Kwa viuno vya baikoko,
Kutoka manzabee
Picha twazitwanga kisela
Posti Insta waga kuwakera
Baada ya chali kimoko
Cause I just wanna let them know
You're my African beauty
You're my
African beauty
Aii you're my
African beauty
You're my
African beauty Round the world
Girl I been looking for you
I think I might just find her, In Africa
Girl you know the sound when I come around
Lost you in the crowd, girl pick up your crown
Yeah
Do it now
Do it, do it now
Do it now
Do it, do it now
Penzi twalipamba ngonjera
Huba kama tanga segera
Kwa viuno vya baikoko,
Kutoka manzabee
Picha twazitwanga kisela
Posti Insta waga kuwakera
Baada ya chali kimoko
Cause I just wanna let them know You're my African beauty
You're my
African beauty
Aii you're my
African beauty

You're my
African beautyOoh
Love is what I see
When I look into your eyes
Ata nikiumwaga huwa napona
And you know I deserve to be
The one that takes you home
Tumbili chumbani kila konaPenzi talipamba ngonjera
Huba kama tanga segera
Kwa viuno vya baikoko,
Kutoka manzabee
Picha twazitwanga kisela
Posti Insta waga kuwakera
Baada ya chali kimoko
Cause I just wanna let them knowYou're my African beauty
Oh You're my... you're my...
African beautyI'm in love with you
There's nothing that I wouldn't do
Catch a bullet for you
As long as you want me toI'm in love with you
There's nothing that I wouldn't do
Catch a grenade for you
As long as you want me to
