Candy Rain

Soul for Real

My love, do you ever dream of Candy coated raindrops? You're the same, my candy rainHave you ever loved someone So much you thought you'd die? Giving so much of yourself It seems the only wayTell me what you want and I And I will give it to you 'Cause you are My love, do you ever dream of Candy coated raindrops? You're the same, my candy rainMy love, did you ever dream That it could be so right? I never thought that I would find All that I need in life All I want, all I need now, I know I know I found it in you, I found it in you 'Cause you areMy love, do you ever dream of Candy coated raindrops? You're the same, my candy rain
