## **Black**

## **Sevendust**

Voices call, they call out my name, (my name, my name) They say i'm different well i'm not the same (the same) you say you want to be like me (like me, like me) well boy let me tell you, you didn't know what i've seen. They say the devil lives in my soul (my soul, my soul) i promise not to let him take control I'm minding my own business. i ain't doing nothing wrong i ain't doing nothing wrong.Shadows follow so close behind me i look in the mirror i don't like what i see. Oh god, can't you help me get out of here? (here, here) I feel like i'm living deep in hell. I'm minding my own business i ain't doing nothing wrong (black)I'm minding my own business i ain't doing nothing wrong I'm minding, i'm minding my own. i ain't doing nothing wrong i ain't doing nothing wrong Nothing wrong
