After the Last Midtown Show

The Academy Is...

It's a drunken midnight on the streets
Brightly dusted with a neon light
We duck behind the corner store
Smoke your smokes while I keep
A watchful eye
Right here, right now

I hope before the night is through

One fumbled touch will finally hit the spot

You've got everything going for you

So I'll go for you with everything I got

Right here, the best days of our lives

Is this coincidence or a sign? Is there anything I missed?

Is there anything I missed?

Tell me if I'm wrong

But why would we change a thing?

When the morning light fights through the cracks

Cascading across the bed, and you are mine

When your parents start to wake for work

Between the sheets, I'll keep a watchful eye

Right here, the best days of our lives

Is this coincidence or a sign? Is there anything I missed?

Is there anything I missed?

Tell me if I'm wrong

But why would we change a thing? When we met I was on my back

I swear we spent most afternoons

Somewhere in the act

We were part of something ours

And ours alone

Anywhere was home

We're almost here again

When we met I was on my back

I swear we spent most afternoons

Somewhere in the act

We were part of something ours

And ours alone

Anywhere was home

We're almost here again

We're almost here again

We're almost here again

Right here, right now
