

Joy

Mary Mary

One two, one two, one
One two, one two, T get off my stuff
I'm not playing man, alright
You gonna take this one, alright I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me Oh how I wonder when my soul looks black
How I ever made it through my sinful, wicked past
I did everything that I though I wanted till it brought me down
Then God reached out to me, so I'm here to tell you now
I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me I've seen the bottom of the mountain, I've had my share of pain
I've been through so many struggles, thought I'd never breathe again
So I prayed that God would help me, I couldn't handle it no more
Then he lifted every burden and that's why I get joy yeah I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me
It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done, I'm talking about
I get joy just thinking about
What He's done for me I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me I get joy, joy thinking about

What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me It's in my hands, my feet, I'm talking about
What He's done for me
I get joy just thinking about
What He's done for me You don't know like I know
What He's done for me yeah
You don't know like I know
What He's done for me yeah
Oh I get, talking about it
What he's done for me, I get joy, joy yeah I get joy, joy thinking about
What He's done for me
I get joy, joy thinking about
What He's done for me
It's in my hands, my feet, I'm talking about
What He's done for me
