

Suddenly (BT Radio Edit)

BT

You.
And your emotion.
I'm on your side
I say a prayer
And you.
And you're devotion
You're locked away.
Alone in there And I love it when you fall.
And I love it when you fall.
And I love it when you fall.
To me
You.
And your emotion
I'm on your side
I say a prayer
And you.
And you're devotion
You're locked away
Alone in there 'Cause I don't want you to feel forgotten
And only you can choose your fate
Remember that all the pain that crossed here
And there's no space to place the blame And I love it when you fall.
To me
And I love it when you fall.
To me
You.
And your addiction
Inside your lovely face
Its left a track
For you
It's taken over
You run away
The truth comes back 'Cause I don't want you to feel forgotten
And I don't want you to fall away
But you know there's something I've forgotten
And notes I left for all to blame And I love it when you fall.
To me
And I love it when you fall.
To me 'Cause you and me we're gonna be special
You and me we're gonna be special And I love it when you fall.
To me
And I love it when you fall.

To me And I love it when you fall.
And I love it when you fall.
And I love it when you fall.
To me And I love it when you fall.

To me
And I love it when you fall.

To me
And I love it when you fall.
And I love it when you fall.
And I love it when you fall.
