

Time Stand Still (feat. Aimee Mann)

Rush

I turn my back to the wind
To catch my breath,
Before I start off again
Driven on,
Without a moment to spend
To pass an evening
With a drink and a friend I let my skin get too thin
I'd like to pause,
No matter what I pretend
Like some pilgrim
Who learns to transcend
Learns to live
As if each step was the end
Time stand still
I'm not looking back
But I want to look around me now
Time stand still
See more of the people
And the places that surround me now
Time stand still Freeze this moment
A little bit longer
Make each sensation
A little bit stronger
Experience slips away...
Experience slips away...
Time stand still
I turn my face to the sun
I close my eyes
I let my defenses down
All those wounds
That I can't get unwound I let my past go too fast
No time to pause
If I could slow it all down
Like some captain,
Whose ship runs aground
I can wait until the tide comes around Time stand still
I'm not looking back
But I want to look around me now
Time stand still
See more of the people
And the places that surround me
Now Freeze this moment

A little bit longer
Make each sensation
A little bit stronger Make each impression
A little bit stronger
Freeze this motion
A little bit longer The innocence slips away...
The innocence slips away...
Time stand still
Time stand still I'm not looking back
But I want to look around me now
See more of the people
And the places that surround me now
Time stand still Summer's going fast
Nights growing colder
Children growing up
Old friends growing older Freeze this moment
A little bit longer
Make each sensation
A little bit stronger
Experience slips away...
Experience slips away...
The innocence slips away...
