S1mba ft. KSI - Loose Lyrics(RELYT)I'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

I'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

YeahI'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

Yeah, I'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

Yeah

Ooh la la, I said I'm tryna get richy

Ooh, mama, I know you tryna get iffy

On my line, now she tryna get with me

No time because I'm tryna make a milli'

What a day, when there's cookie in the oven, mayonnaise

I know she know me, but she askin' for my name

Bring my ooze out, mami, tryna celebrate

My boy a hooter and he ain't afraid to aim

Shorty wanna catch me in the heat inna the moment

Tellin' me she got a crazy plan, I'm all for it

Says she got a man but you know I might ignore it

Fuck all the chat, man, I'm tryna get pourin'

Snorin', eh, sleepin' on your nigga so borin' (Lame)

And we ain't gonna stop until the mornin'

So what? You thinkin' you can come and just join in?

I'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

Yeah, I'm feeling loose

True say, man, I'm in the mood

I be sippin' on gin and juice

I'm so gone, man, I'm duckin' this Goose

YeahI don't know how I ended up here but I'm tryna get litty ah-ah

I feel rich so I'm gettin' more drinks flowin', tryna get lit oh-na-na-na

So loose, not a shoe-lace (Ay-ay)
Grey Goose, add it with the Ace (Ay-ay)
Let the people know from this pack of lies
You might hear mi ballin' like we tacklers
My life crazy, need a whole movie
Man, it's hazy, drinkin' that Louis
Cognac ting
If dey wanna burn it, den bun dat ting
Long long list of dey wantin' to be me
Long long wrist with the Roleys and PPs (Long long)
I don't wanna talk too much
But I'm a winner, ain't no badder man than me I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah, I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah
