Going Wrong (Armin van Buuren's Radio Edit)

Armin van Buuren & DJ Shah

Yeah, I keep dreaming That I have it all I'm always waiting For that something moreI'm still craving To have you by my side I know our love is fading But soon it will shineAnd I can't see today And I can't see tomorrow You're burning out my head And in my brain it's going wrongAnd I will live today And I will live tomorrow No matter what is said or done Even if it's going wrong Even if it's going wrong Even if it's going wrong You're burning out my headI keep searching Forever in your eyes I'll be careful But soon we will shineAnd I can't see today And I can't see tomorrow You're burning out my head And in my brain it's going wrongAnd I will live today And I will live tomorrow No matter what is said or done Even if it's going wrong Even if it's going wrong Even if it's going wrong You're burning out my headEven if it's going wrong You're burning out my headAnd I can't see today And I can't see tomorrow You're burning out my headAnd I can't see today And I can't see tomorrow You're burning out my headAnd I can't see today And I can't see tomorrow You're burning out my headAnd in my brain it's going wrong And I will live today And I will live tomorrow No matter what is said or done Even if it's going wrong
