We can spend the night tonight

We can spend th enight tonight

Shake it, do it right Standby

We interrupt this for a message from the Father

We've given many years of funk to you

And y'all still don't know what to do

And if I should die and I'm gone tomorrow

Funk will be in sorrow

Who's gonna take it to the next level

Must be the chosen one, but not the devil
So shake that thing baby Shake, shake it baby
Shake, shake it
Shake, shake it baby
Shake it by me Shake, shake it baby
Shake, shake
Shake, shake it baby
Shake ya booty, shake ya booty Ooh you move that body
Move that body the way you move
Ooh baby yeah, yeah, yeah
I'm so into you
Ooh, it's the way you move
The way you move
Shake it baby, shake it baby
All around the world, boys and girls
Ease up and join the fun
I just want you to see the reality
Teddy, dance for me, yeah Shake, shake it baby
Shake, shake it
Shake, shake it baby
Shake it by me
Shake, shake it baby
Shake, shake it
Shake, shake it baby
Shake it by me
Shake, shake it baby
Shake, shake it
Shake, shake it baby
Shake it by me
Shake, shake it baby
Shake, shake it
Shake, shake it baby
Shake it by me Shake, shake it baby
Shake, shake
Shake, shake it baby
Shake ya booty, shake ya booty
Teddy, Jam for me, yeah
