

Hypnotico

Jennifer Lopez

All the girls that know that they're sexy. Come on Don't sit now, it's gonna get nasty.
Hypnoti-notico, Hypnoti-notico. Shake me, shake those earthquakes, cause I'm in the city.
Hypnoti-notico, Hypnoti-notico. They all want me for my body

I'm original sexy.

Hypnoti-notico, Hypnoti-notico. All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (night)

We're just some silly heartbreakers tonight.

All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (night)

We're just some silly heartbreakers tonight. Hypnoti-notico, Hypnoti-notico. Red eyes, whiten

Envious smiles.

Hypnoti-notico, Hypnoti-notico Sunburn, baby, hurts like cra-azy.

Hypnoti-notico, Hypnoti-notico. Hungry for some yum, yum.

Gonna get me some, some.

Hypnoti-notico, Hypnoti-notico.

All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (tonight)

We're just some silly heartbreakers tonight. All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (tonight)

We're just some silly heartbreakers tonight. Aah

Hypnoti-notico, Hypnoti-notico. Aah

Hypnoti-notico, Hypnoti-notico. All the boys go crazy

All the boys go crazy. Hypnoti-notico, Hypnoti-notico. Whine up your body like you come from
boricua

All of them are like silly heartbreakers.

Hypnoti-notico, Hypnoti-notico.

All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (tonight)

We're just some silly heartbreakers tonight

All the boys all love it when we do our thing.

We're just some silly heartbreakers tonight. (tonight)

All the boys all want it, but it don't mean a thing.

We got tonight. (tonight)
We're just some silly heartbreakers tonight
Tonight, tonight, tonight
All the boys all want it, but it don't mean a thing.
We got tonight. (tonight)
We're just some silly heartbreakers tonight. (night-night-night)
Hypnoti-notico, Hypnoti-notico.
