

# New York

## Cat Power

Start spreadin' the news  
I'm leavin' today  
I want to be a part of it  
New York, New York These vagabond shoes  
Are longin' to stray  
Right through the very heart of it  
New York, New York I want to wake up in a city that doesn't sleep  
To find I'm cream of the crop and top of the heap These little-town blues  
Are meltin' away  
I'll make a brand-new start of it  
Oh, in New York  
If I can make it there  
I'll make it anywhere  
New York  
It's up to you  
New York
