

No Rest For the Wicked (Robin Schulz Remix Edit)

Lykke Li

My one heart hurt another
So only one life can't be enough
Can you give me just another
For that one who got away Lonely I, I'm so alone now There'll be no rest for the wicked
There's no song for the choir
There's no hope for the weary
If you let them win without a fight
If one heart can mend another
Only then can we begin
So won't you hold on a little longer
Don't let them get away Lonely I, I'm so alone now There'll be no rest for the wicked
There's no song for the choir
There's no hope for the weary
If you let them win without a fight
I let my good one down
I let my true love die
I had his heart but I broke it everytime Lonely I, I'm so alone now
There'll be no rest for the wicked
There's no song for the choir
There's no hope for the weary
If you let them win without a fight
I let my good one down
I let my true love die
I had his heart but I broke it everytime
