

# Energy

Keri Hilson

I wish I could rip out a page of my memory  
Cause I put too much energy in him and me  
Can't wait till I get through this phase  
Cause its killin' me  
Too bad we can't re-write our own history  
Such a mystery when he's here with me  
It's hard to believe I'm still lonely  
Chances fading now, patience running out  
This ain't how its supposed to be  
I'm having nightmares from sleeping with the enemy  
How do we reverse the chemistry  
I don't want us to be the end of me  
This love is taking all of my energy  
Energy, my energy  
Taking all of my energy  
Energy, my energy  
Taking all of (my energy)  
Seems only like yesterday, Not even gravity  
Could keep your feet off the ground when you were with me  
How could two be as one  
And become to divided now  
Theres no use hiding from memory(no)  
Such a mystery when hes here with me  
It's hard to believe I'm still lonely  
Chances fading now, patience running out  
This ain't how its supposed to be  
I'm having nightmares from sleeping with the enemy (Oh, Yeah)  
how do we reverse the chemistry (We gotta re-)  
I don't want us to be the end of me  
This love is taking all of my energy  
Energy, my energy  
Taking all of my energy (Energy)  
Energy (Energy), my energy (Energy)  
Taking all of  
Now I can feel a change in me  
And I can't afford to slip much further  
from the person I meant to be (Whoo-oo)  
I'm not afraid to walk alone  
Not givin' up for movin' on  
Before it gets too deep  
Cause your takin' all of my energy  
I'm having nightmares from sleeping with the enemy (Oh)  
how do we reverse the chemistry (Oh, Oh)  
I don't want us to be the end of me  
This love is taking all of my energy  
I'm having nightmares from sleeping with the enemy  
How do we reverse the chemistry

I don't want us to be the end of me  
This love is taking all of my energyEnergy, my energy  
Taking all of my energy (Oh-Oh)  
Energy, My energy (Taking all of me)  
Taking all of  
(fading)  
Ya killing me  
Ya taking all of me yeah, oh  
This love is taking all of my energy
