

# Soon As I Get Home

## Babyface

written by Babyface (1989)

performed by BabyfaceSPOKEN:

Hey, come here for a second

I don't like the way he treats you

He doesn't deserve you

He really don't What kind of man

Would leave you standing in the cold

Must've been a silly one

To sacrifice a pot of gold

You're the kind of woman

That needs a man that's always there

It's not that you require a lot

Just need some tender love and care

I give good love

I'll buy your clothes

I'll cook your dinner too

Soon as I get home from work

I'll pay your rent

Your faithful lover

Soon as I get home, soon as I get home from work

Girl, I'll treat you right

And I'll never lie

For all that it's worth

I give good love (good love, good love, good love, good love) It doesn't make sense

That you should have a broken heart

If I were the only one

I'd never let you fall apart

You're the kind of woman

That needs a man with lots of cash

With a stack of major credit cards

And with me you don't have to ask

I give good love

I'll buy your clothes

I'll cook your dinner too

Soon as I get home from work

I'll pay your rent

Your faithful lover

Soon as I get home, soon as I get home from work

Girl, I'll treat you right

And I'll never lie or flirt

Soon as I get home, soon as I get home from work

Girl I'll be around, never let you down

For all that it's worth  
I give good love (good love, good love, good love, good love)  
I give good love (good love, good love, good love, good love)HOOK
