

One Woman Man

Josh Turner

If you told me that you love me I would feel so proud
If you? d let me hold you, honey, I? d holler out loud
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man Won? t you let me, baby, just a kind of hang
around?
I? ll always love you, honey, and I? ll never let you down
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man I? d climb the highest mountain if it reached up
to the sky
To prove that I love you I? d jump off and fly
I? d even swim the ocean from shore to shore
To prove that I love you a little bit more
Won? t you let me, baby, just a kind of hang around?
I? ll always love you, honey, and I? ll never let you down
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man If you told me that you love me I would feel so
proud
If you? d let me hold you, honey, I? d holler out loud
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man
Won? t you let me, baby, just a kind of hang around?
I? ll always love you, honey, and I? ll never let you down
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man
Come to me, baby, I? m a one woman man
