One Woman Man

Josh Turner

If you told me that you love me I would feel so proud
If you? d let me hold you, honey, I? d holler out loud
I? Il never love another even if I can
me, baby, I? m a one woman manWon? t you let me, baby, just a

Oh, come to me, baby, I? m a one woman manWon? t you let me, baby, just a kind of hang around?

I? Il always love you, honey, and I? Il never let you down

I? Il never love another even if I can

Oh, come to me, baby, I? m a one woman manI? d climb the highest mountain if it reached up to the sky

To prove that I love you I? d jump off and fly I? d even swim the ocean from shore to shore
To prove that I love you a little bit more
Won? t you let me, baby, just a kind of hang around?
I? ll always love you, honey, and I? ll never let you down

I? Il never love another even if I can

Oh, come to me, baby, I? m a one woman manIf you told me that you love me I would feel so proud

If you? d let me hold you, honey, I? d holler out loud
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man
Won? t you let me, baby, just a kind of hang around?
I? ll always love you, honey, and I? ll never let you down
I? ll never love another even if I can
Oh, come to me, baby, I? m a one woman man
Come to me, baby, I? m a one woman man
