

Welcome Home

Coheed and Cambria

You could've been all I wanted
But you weren't honest, now get in the ground
You choked off the surest of favors
But if you really loved me
You would've endured my world Well, you're just as I presumed
A whore in sheep's clothing
Fucking up all I do
And if so here we stop
Then never again will you see this in your life
Hang on to the glory at my right hand
Here laid to rest is our love ever longed
With truth on the shores of compassion
You seem to take promise to all of these songs You stormed off to scar the Armada
Like Jesus played letter
I'll drill through your hands
The stone for the curse you have blamed me
To nevertheless wonder, happy will I become Hang on to the glory at my right hand
Here laid to rest is our love ever longed
With truth on the shores of compassion
You seem to take promise to all of these songs
One last kiss for you, one more wish to you
Please make up your mind girl, I'd do anything for you
One last kiss for you, one more wish to you
Please make up your mind girl, before I hope you die
