## Coheed and Cambria

You could've been all I wanted  
But you weren't honest, now get in the ground  
You choked off the surest of favors  
But if you really loved me  
You would've endured my world Well, you're just as I presumed  
A whore in sheep's clothing  
Fucking up all I do  
And if so here we stop  
Then never again will you see this in your life  
Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take promise to all of these songs You stormed off to scar the Armada  
Like Jesus played letter  
I'll drill through your hands  
The stone for the curse you have blamed me  
To nevertheless wonder, happy will I become Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take promise to all of these songs  
One last kiss for you, one more wish to you  
Please make up your mind girl, I'd do anything for you  
One last kiss for you, one more wish to you  
Please make up your mind girl, before I hope you die
