

Lead the Way

Carlos Jean

I can smell the sound of love. I never had any doubt,
I knew that i would end up wrong and this is where I got.
An empty crowd crying out loud,
Praying for the wrong that apparently i've done.
Looking kinda dumb, people staring at my crown:
I have no magic kingdom but i own all that i touch.
I might not be your girl, but i'm everything you wanna be.
I'm daddy's little girl with some mud on my cheek.
And i'm calling your name, i don't know my own.
And i try to forget who i used to date.
All I want is to go, is to go away.
Wanna come?
Just lead the way, i'll follow you everywhere.
I don't need a reason to be your friend,
I just love the way that you make me spin, out of control, I'm outta control.
Just lead the way, i'll follow you everywhere.
I don't need a reason to be your friend,
I just love the way that you make me spin, out of control, I'm outta control. Going up
And going down
I can sense the emptiness,
I can smell the sound of love.
Plan b, i've got my plan b
Dont know if you have it but i want to make you see
I've my plan b
