Bad Day

Daniel Powter

Where is the moment we needed the most You kick up the leaves and the magic is lost They tell me your blue skies fade to grey They tell me your passion's gone awayAnd I don't need no carryin' on You stand in the line just ahead of the law You're faking a smile with the coffee you go You tell me your life's been way off line You're falling to pieces everytime And I don't need no carryin' on Cause you had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie You work at a smile and you go for a ride You had a bad day The camera don't lie You're coming back down and you really don't mind You had a bad dayYou had a bad day Well you need a blue sky holiday The point is they laugh at what you say And I don't need no carryin' on You had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie You work at a smile and you go for a ride You had a bad day The camera don't lie You're coming back down and you really don't mindYou had a bad day(Oh. Holiday.) Sometimes the system goes on the blink And the whole thing turns out wrong You might not make it back and you know That you could be well oh that strongAnd I'm not wrongSo where is the passion when you need it the most Oh you and I You kick up the leaves and the magic is lostCause you had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie

You work at a smile and you go for a ride You had a bad day You've seen what you like And how does it feel for one more time You had a bad day You had a bad day Had a bad day Had a bad day Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
