## **Somewhere Else**

## **Razorlight**

You're an emotional wreck You don't know who you are You never say what you mean And you keep your mouth shut And your nights stay still And then you come and call on meYou say I just can't help myself I really really wish i could be Somewhere Else Than hereAnd I met a girl She asked me my name I told her what it was She looked at me I tried to explain Exactly what I'd lost But now I just can't help myself I really really wish I could be Somewhere Else Than here You give me everything I need But I really really wish I could be Somewhere Else Than hereJust anywhere else Just anywhere else than hereAnd I won't forget it No I won't forget it No I won't forget itAnd when I saw you there it was the first time And you just walked on by I was catching the sparks that flew from your heels Trying to catch your eye But that was Somewhere Else Yeah, Somewhere Else Somewhere Else I really really wish I could be Somewhere Else Somewhere Else Somewhere Else I really really wish I could be Cause' I just can't help myself I really really wish I could be somewhere else Than hereAnd no, I just can't help myself I really really wish I could I got everything I need I really really wish I could be Somewhere Else Somewhere Else
