

# Sober

## Little Big Town

I wanna walk that line a little crooked  
And live my life a little on the rise  
Laugh at everytime I fell  
Not afraid of makin' a fool of myself  
And keep on dancin' when the music stops  
'Cause I love being in love  
It's the best kind of drug  
Drunk on the high  
Leanin' on your shoulder  
Sweet like wine as it gets older  
When I die - I don't wanna go sober  
Oh when I die - I don't wanna go sober  
You're like drinkin' from a never ending vital  
When I think it's gone there's always a little more left  
Lay back with you and close my eyes  
Let the big ol' world spin on by  
And sayin' your name with my last breath  
I love being in love  
It's the best kind of drug  
Drunk on the high  
Leanin' on your shoulder  
Sweet like wine as it gets older  
When I die - I don't wanna go sober  
Oh when I die - I don't wanna go sober  
I love being in love  
It's the best kind of drug  
Drunk on the high  
Leanin' on your shoulder  
Sweet like wine as it gets older  
When I die - I don't wanna go sober  
Oh I love being in love  
It's the best kind of drug  
Drunk on the high  
Leanin' on your shoulder  
Sweet like wine as it gets older  
When I die - I don't wanna go sober  
When I die - I don't wanna go sober  
When I die - I don't wanna go sober
