

# Old Five and Dimers Like Me

[Jerry Jeff Walker](#)

Yeah, well I spent a lifetime  
Just makin' up my mind to be  
More than the measure of  
What I thought others could see  
Good luck and those fast bucks  
Are too few and too far between  
Those other Cadillac drivers  
And those old five and dimers like me  
You know, she stood beside me  
Tellin' me she would be  
Somethin' to lean on  
Everythin' ran out on me  
No fenced yards ain't hole cards  
Like as not, never will be  
Any reason for rhymers  
And those old five and dimers like me, alright  
Now I've searched for so long  
Now that I've found that I believe  
All that I do or say  
Is all I ever will be  
Too far and too high and too deep  
Ain't too much to be  
Yeah, too much just ain't enough  
For those old five and dimers like me  
I guess an old five and dimer  
Is all I intended to be, alright
