

# That's Life

Van Morrison

That's life  
That's what the people say  
You're riding high in april  
Shot down in may  
I know I've got to change my tune  
When I get back up on top in juneThat's life  
Funny as it may seem  
Some people get their kicks from stepping on a dream  
I don't let it get me down  
This big old world keeps spinning round  
Chorus  
I've been a puppet, a pauper, a pirate, a poet, a pawn and a king  
I've been up, down, over and out  
And I know one thing  
Every time I find myself flat on my face  
I pick myself up and get back in the raceThat's life  
I can't deny it  
I thought of quitting but my heart wouldn't buy it  
If I don't think it's worth a try  
I'm gonna roll myself up in a big ball and die  
ChorusLast verseBye bye  
Bye bye
