

# CHAMPION

## Bishop Briggs

Alone in my car  
I'm in a parking lot  
Darkest spot in my mind My tongue is dry  
Why do I crumble quickly  
Stumble swiftly Cursing myself, I burned the furniture  
A million times in my head  
I'm feelin' low  
Got nowhere to go  
But back up again  
You gotta get bruised  
Before you get mad  
You gotta fall down  
Before you fight back  
Was feelin' so weak  
But baby I'm strong  
Little did I know  
I'm a champion I'm a champion  
I'm a champion  
I'm a champion  
Nobody said it'd be an easy ride  
Obstacles in my way  
Scars never change  
Why do I crumble quickly  
Stumble swiftly  
Cursin' the world  
I burned the songs I wrote  
A billion times in my head  
I'm feelin' low  
Got nowhere to go  
But back up again You gotta get bruised  
Before you get mad  
You gotta fall down  
Before you fight back  
Was feelin' so weak  
But baby I'm strong  
Little, did I know  
I'm a champion I'm a champion  
I'm a champion  
I'm a champion You gotta get bruised  
Before you get mad (mad)  
You gotta fall down  
Before you fight back (fight back)

Was feelin' so weak  
But baby I'm strong (strong)  
Little did I know  
I'm a champion  
(I'm a champion, I'm a champion)I'm a champion  
I'm a champion  
I'm a champion  
I'm a championI'm a champion  
I'm a champion  
I'm a champion  
I'm a champion
