

Playing Games

Summer Walker & Bryson Tiller

[Verse 1]

Whip, bought it

Crib, got it

Job, on it

Did I ever

Ask you to take me to go

Shopping?in?Paris or go

Sailing?overseas and just

Drape me in Gucci?no

All I ever asked was you to

Pick up the phone when you alone

All I ever asked was you to

Show me some love

Kisses and hugs

No I never had an issue

Go to the club with your boys baby I

Never wanted you to stay too long

Just wanted you to show me off

[Chorus]

So won't you say my name say my name

If you claim you want me

It ain't no thang

You acting kinda shady

You ain't been calling me baby oh

Boy you can go and stop playing games

Playing games[Verse 2]

I know you saying hit my line

I'm on your line, and that

You want this bad

So I'm cool with that

I'm just trying to match your words with your actions

I need more than satisfaction

Is you really bout that action

Really want to give your all

But flex in front of your friends

How that work

Swear that you doing the most

But we take a picture can't post it

How that work

When you talking

Back that shit up

Won't you say my say my

[Chorus]

So won't you say my name say my name

If you claim you want me

It ain't no thang

You acting kinda shady

You ain't been calling me baby oh

Boy you can go and stop playing games

Playing games[Outro]

Games (games)

Games (oh games)
