

# Sandman (1987)

## America

Ain't it foggy outside?  
All the planes have been grounded  
Ain't the fire inside?  
Let's all go stand around it Funny, I've been there and you've been here  
And we ain't had no time to drink that beer 'Cause I understand you've been running from the  
man  
That goes by the name of the Sandman  
He flies the sky like an eagle in the eye  
Of a hurricane that's abandoned Ain't the years gone by fast?  
I suppose you have missed them  
Oh, I almost forgot to ask  
Did you hear of my enlistment?  
Funny, I've been there and you've been here  
And we ain't had no time to drink that beer 'Cause I understand you've been running from the  
man  
That goes by the name of the Sandman  
He flies the sky like an eagle in the eye  
Of a hurricane that's abandoned I understand you've been running from the man  
That goes by the name of the Sandman  
He flies the sky like an eagle in the eye  
Of a hurricane that's abandoned I understand you've been running from the man  
That goes by the name of the Sandman  
He flies the sky like an eagle in the eye  
Of a hurricane that's abandoned  
I understand you've been running from the man  
That goes by the name of the Sandman  
He flies the sky like an eagle in the eye  
Of a hurricane that's abandoned
