Sandman (1987)

America

Ain't it foggy outside?
All the planes have been grounded
Ain't the fire inside?

Let's all go stand around itFunny, I've been there and you've been here And we ain't had no time to drink that beer'Cause I understand you've been running from the man

That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandonedAin't the years gone by fast?

I suppose you have missed them Oh, I almost forgot to ask

Did you hear of my enlistment?

Funny, I've been there and you've been here

And we ain't had no time to drink that beer'Cause I understand you've been running from the

That goes by the name of the Sandman

He flies the sky like an eagle in the eye

Of a hurricane that's abandonedI understand you've been running from the man

That goes by the name of the Sandman

He flies the sky like an eagle in the eye

Of a hurricane that's abandonedI understand you've been running from the man

That goes by the name of the Sandman

He flies the sky like an eagle in the eye

Of a hurricane that's abandoned

I understand you've been running from the man

That goes by the name of the Sandman

He flies the sky like an eagle in the eye

Of a hurricane that's abandoned
