Little Rock

Reba McEntire

Well I'm married to the good life
I said I'd be a good wife
When I put on this ring
I drive a new Mercedes
I play tennis with the ladies
I buy all the finer things
But all that don't mean nothing
When you can't get a good night's lovingOh little rock
Think I'm gonna have to slip you off
Take a chance tonight and untie the knot

There's more to life than what I've got Oh little rock

You know this heart of mine just can't be bought I'm gonna find someone who really cares a lot

When I slip off this little rock
Well I wonder if he'll miss me
He doesn't even kiss me
When he comes home at night

He never calls me honey

But he sure loves his money And I'm the one who pays the price

But when he finds this ring he'll see

He keeps everything but meOh little rock

Think I'm gonna have to slip you off

Take a chance tonight and untie the knot

There's more to life than what I've got Oh little rock

You know this heart of mine just can't be bought I'm gonna find someone who really cares a lot

When I slip off this little rock

Oh you little rock

Think I'm gonna have to slip you off Take a chance tonight and untie the knot There's more to life than what I've got

Oh little rock

You know this heart of mine just can't be bought I'm gonna find someone who really cares a lot When I slip off this little rockOoh yeah, ooh

Little rock, ooh yeah
