I Really Don't Want to Know

John Travolta

How many arms have held you And hated to let you go? How many? How many? I wonder But I really don't want to knowAnd how many lips have kissed you And set your soul aglow? How many? How many? I wonder But I really don't want to knowSo always make me wonder And always make me guess Even if I ask you Darlin', don't confessNo you just let that remain your secret 'Cause darlin', I do love you so How many? How many? I wonder But I really don't want to know How many? How many? I wonder But I really don't want to know Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
