

# Tonight, I Celebrate My Love (feat. Peabo Bryson)

## Peabo Bryson

Tonight I celebrate my love for you  
It seems the natural thing to do Tonight no one's gonna find us  
We'll leave the world behind us  
When I make love to you Tonight I celebrate my love for you  
And hope that deep inside you'll feel it too Tonight our spirits will be climbing  
To a sky filled up with diamonds  
When I make love to you, tonight  
Tonight I celebrate my love for you  
And that midnight sun is gonna come shining through Tonight there'll be no distance between us  
What I want most to do, is to get close to you, tonight Tonight I celebrate my love for you  
And soon this old world will seem brand new Tonight we will both discover how friends turn  
into lovers  
When I make love to you Tonight I celebrate my love for you  
And the midnight sun is gonna come shining through  
Tonight there'll be no distance between us  
What I want most to do, is to get close to you Tonight I celebrate my love for you Tonight
