

Holier Than Thou

Metallica

No more!
The crap rolls out your mouth again
Haven't changed, your brain is still gelatine
Little whispers circle around your head
Why don't you worry about yourself instead Who are you? Where ya been? Where ya from?
Gossip is burning on the tip of your tongue
You lie so much you believe yourself
Judge not lest ye be judged yourself Holier than thou
You are
Holier than thou
You are
You know not
Before you judge me take a look at you
Can't you find something better to do
Point the finger, slow to understand
Arrogance and ignorance go hand in hand It's not who you are, it's who you know
Others lives are the basis of your own
Burn your bridges and built them back with wealth
Judge not lest ye be judged yourself Holier than thou
You are
Holier than thou
You are
You know not
(yeah! who the hell are you?)
Holier than thou
You are
Holier than thou
You are
You know not
Not!
